---

To secure an internship position with an organization in the Data Science programm where I can utilize my analytical and technical skills to contribute to the company's data- driven-decision-making processes.

---

## Skills

## Work Experience

### Customer churn prediction

Link: [https://1drv.ms/u/s!AkLPfm-M\\_cl-hXeKrpOPTS9Wl61K?e=UwZsBh](https://1drv.ms/u/s!AkLPfm-M_cl-hXeKrpOPTS9Wl61K?e=UwZsBh)

- This is my individual project where I learn data preprocessing, data transforming, data loading, and build model.
- In this I use many library such as pandas, numpy, matplotlib, Sci-Kit learn etc.
- I create a model that can predict a customer can churn or not on the basis of past data with the help of machine learning model.

## Educational Background

- D.Y Patil International university  
Master's Degree in Artificial intelligence and Data Science, 2024
- Veer Bahadur Singh Purvancahl University  
Bachelor's Degree in Mathematics 2022, percentage-63.9%
- Bansichand Inter colledge chilwa  
Higher secondary 2019, percentage-75.6%
- Abhyuday public school Rajgarh  
Secondary school 2017, percentage - 84%

### Ai Based Virtual Assisstant ( ongoing group project)

Link: [https://1drv.ms/f/s!AkLPfm-M\\_cl-ghLF7s2n3HtPMGvp?e=iehf3C](https://1drv.ms/f/s!AkLPfm-M_cl-ghLF7s2n3HtPMGvp?e=iehf3C)

- This is group project where we create a AI based virtual assisstant that take a normal query or task and perform on it.
- We use NLP, Deep learning, PyQt5 library for creating Gui, etc.
- My role is testing and debugging.

### Lead Scoring model

## **Extra Activities**

- Volunteering  
A. K Memorial public school from  
2017-2019  
Annual festival in college  
Sports week in school
- Peer Tutoring
- Teacher of Mathematics in Kids  
kilkari academy

## **Non Technical Skills**

- Strong Communication Skills
- Problem-Solving Skills
- Decision Making
- Leadership
- Time management

## **Declaration**

"I declare that the information provided in this resume is true and accurate to the best of my knowledge. I understand that any false statement or misrepresentation may lead to disqualification from employment. I am fully committed to the position I am applying for and am ready to take on any responsibilities that come with it."

## **Certification**

- Master Big Data with pyspark and AWS (ongoing by Udemy)
  1. In this I am learning the importance of big data and how to handle it , and ETL process.
  2. And also have mini and major project related to it like Change Data Capture/Replication ongoing.
- Python (by great learning)
- Introduction to Career Skills in Data Analytics (by linkedIn learning)

## **Hobbies**

- Trekking,Dancing
- Volunteering
- Photography

## **Language**

- English
- Hindi
